

BOY SCOUTS TO HOLD PIONEER CAMPOREE HERE

A special council "Pioneer" camporee will be held here June 15 and 16, Boy Scout Chief Executive W. "Jack" Watson said Wednesday evening at a meeting of the Black Walnut Boy Scout District at the engine house.

Plans for the camporee call for the various districts in the York-Adams council to hold district camporees during May at which scouts will qualify for attendance at the Pioneer program to be held on the battlefield here in June. At the district camporees the scouts will receive points for various endeavors. Those who receive 800 or more out of a possible 1,000 for their activities at the district camporees will be eligible for the "pioneer" encampment here in June.

Black Walnut District Scouts will have an opportunity to qualify for the pioneer event at a camporee to be held May 19 and 20. District Chairman John C. W. Riddle said. District Camping and Activities Chairman Lt. Col. Don Williams announced the appointment of Clarence M. Swinn Jr. as the chairman for the district camporee.

Expect \$2,500 From Drive

Finance Chairman Daniel E. Teeter reported that the current fund drive "will be completed in about two weeks." The district committee expressed its appreciation to Campaign Chairman Harold Ecker for his work in connection with the drive.

Attorney Teeter estimated that the district drive would bring in about \$2,500; \$2,500 was raised in Gettysburg through Community Chest.

Dr. Frederick Tilberg, health and safety chairman, reported that Explorer Scouts of the local area and Boy Scouts 13 years of age are invited to attend the showing of a Ground Observer Corps motion picture this evening at 7:30 o'clock at the local Presbyterian Church. After the picture, Explorer Scouts will be signed for service at the GOC spotter station on Benner's Hill.

Rifle Safety Course

Dr. Tilberg also announced preliminary plans for a rifle safety program for Boy Scouts and Explorers to be held in the near future with Charles Polley as instructor. The five-session course will include four classroom instruction periods and one period of actual firing of a rifle. Expense to the scouts will be 60 cents, covering the cost of an instruction book, ammunition and a

Columnist Is Doused With Acid

NEW YORK (AP)—Labor columnist Victor Riesel was splashed in the face with acid by an unidentified assailant on a street just off Broadway early today.

A hospital doctor said he feared the newspaperman's eyesight would be impaired.

The attack occurred about two hours after Riesel spoke on a radio program, and he told newsmen at the hospital that the acid throwing "apparently was about my broadcast on labor racketeers on Long Island."

Riesel, 41, whose columns appear in the New York Daily Mirror, was assaulted about 3 a.m. on W. 51st St., near Broadway, shortly after he had left Lindy's restaurant on Broadway.

His assailant—a young man—escaped.

JAYCEES WILL SPONSOR PARTY FOR SENIORS

Sponsorship of an "all night party" for the graduating class of Gettysburg High School was approved by the Gettysburg Junior Chamber of Commerce at a meeting Wednesday evening at Banker's Restaurant, Littlestown Rd.

The vote was taken at a business session following a dinner meeting at which the new officers of the Junior Chamber were installed by Regional Vice President Donald C. Becker.

According to the plans outlined for the Senior party, at a place not decided, the affair will start following the graduation exercises, Sunday, June 3, when refreshments will be served. A full length movie will be shown, and a dance conducted, concluding with breakfast at about 5 o'clock Monday morning.

To "Let Off Steam"

The program is similar to parties held in other schools, the Jaycees were told, and has the approval of the Parent-Teacher Association. Cars are banned for the seniors and the entire group will take part in the night of entertainment. Members of the Jaycees said the parties are designed to "let off steam" at graduation, without the danger involved when groups travel by car after graduation for late night dancing and refreshments.

New officers installed at the meeting were Harold Ecker, president; Magnus Flaws, vice president; Richard Bruce, secretary; Fred H. Attinger, treasurer; Thomas Metz, chairman of the board, and Floyd Currens, William Lentz, Harry Spangler and John Crow, directors.

The work of the Jaycees locally and nationally was outlined by Becker in installing the new officers. He termed the Junior Chamber of Commerce nationally as "the organization that sets out to do the impossible and then does it."

"DISTELFINK" UNIT SOUGHT

The Navy Recruiting Service has announced plans to recruit another "Distelfink" Battalion similar to the one recruited from this area in 1955.

"Distelfink" represents a mythical Dutch bird, a symbolic and decorative motif used by the Pennsylvania Dutch in textiles, ceramics, etc. The Navy is using this symbol for the special battalion recruited from the Pennsylvania Dutch area of Southern Pennsylvania.

The special company from the York County and Gettysburg areas will be recruited during April, May and June for enlistment in July. The swearing-in of the entire battalion, which will consist of about 400 men, will be performed at the Dutch Folk Festival at Kutztown on July 7. Parents will be invited to attend. The "Distelfink" battalion will train as a battalion unit at the U. S. Naval Training Center, Bainbridge, Md.

Petty Officer First Class Edwin Hibbert, Gettysburg recruiter, said that men enlisting in the "Distelfink" battalion will be assured of returning home on leave following after completion of recruit training, and high school graduates who make a qualifying score on the entrance examination will be guaranteed a technical trade school in such fields as electronics, naval aviation, surface and submarine branches. Applications for the special company are now being accepted, Hibbert added.

Thirty-eight men from York and Adams Counties were members of last year's "Distelfink" battalion. The goal for 1956 is 60 men.

SAFE DRIVING DEMONSTRATION

New Oxford Senior High School students Wednesday took part in a safe driving demonstration conducted by Wenzel Morris, safety engineer for Nationwide Insurance.

Three revolvers were mounted on the front bumper to fire paint bullets marking the distance required to stop after the command to stop was given. The first signal to the driver was a shot which put a mark on the Berlin Rd. at the spot where the command to stop was given. When the brakes were applied a second revolver fired putting a paint mark where braking began and the third revolver fired a shot marking the road when the car came to a stop.

Student George Morningstar stopped 42.5 feet from the spot where the command stop was given, 1 1/2 feet less than the national average of 44 feet at 20 miles per hour. Helen Stockham, a junior, stopped the car at 20 miles per hour in 40 feet. Calvin Roland, science teacher drove at 30 miles per hour and stopped the car in 63.20 feet. State Policeman Charles Stanski stopped the car at 40 miles per hour in 110.5 feet.

Morris told the students, "It is obvious that a car cannot be stopped on a dime."

Convict Proves Innocence After 16 Years In Prison

ROCK ISLAND, Ill. (AP)—An innocent man who spent 16 years in prison is free today because of a prosecutor's diligence and a guilty man's conscience.

The one year to life sentence of Roy E. Eaton, 52, was vacated yesterday in the same Circuit Court room in which he had been convicted in 1940.

Judge Leonard E. Teilen issued the order after State's Atty. Bernard J. Morgan presented a paroled convict's signed statement that he and another man had committed the crime for which Eaton was punished.

Eaton was sent to Stateville (Ill.) Prison when James L. Crooks, a soap salesman, identified him as one of two men who robbed him of \$50 in Rock Island Oct. 4, 1938.

Denied Charge

Louis G. Burrall, Davenport, Iowa, was identified as the other robber. He was not prosecuted because in the meantime he had been sent to a federal prison for robbing a post office branch.

At his trial and ever since, Eaton protested that he was innocent. He claimed he was in Lordsburg, N. M., where he then lived, on the day of the robbery. But he didn't have the money to bring witnesses from Lordsburg to Rock Island to support his alibi.

In the ensuing years Eaton

WILL DEDICATE CHURCH SCHOOL IN BIGLERVILLE

Dedication services for the newly-erected Church School at Trinity-Bender's Evangelical and Reformed Church, Biglerville, Rev. Nevin R. Prantz, pastor, will be held Sunday morning at 11 o'clock. The president of the Mercersburg Synod, Rev. James W. Moyer, will preach the dedicatory sermon. Gerald Heller, superintendent of the school, will read the scripture lesson. The litany of dedication will be led by the pastor with appropriate responses by the congregation. Special music will be sung by the choir with Mrs. John Lawver at the organ.

Opportunity for inspection of the building will be given at the close of the service and at an "Open House" from 2 to 5 o'clock in the afternoon for residents of the community.

Ceremony Wednesday

Next Wednesday evening at 7:30 o'clock the congregation will assemble in "Fellowship Hall" for a dedication of the social and recreation unit of the new building. The public is invited. Following a twenty-minute hymn sing, led by the pastor, the congregation will join in the litany of dedication. The story of the building project through the spoken word and pictures will be in charge of the pastor assisted by Elton Grim and Richard Trussell. A motion picture, "The Secret of the Gift," will be shown.

The new building is 60 x 32 feet with basement, one-story brick unit, attached to the rear of the church. There are individual rooms on the first floor for the Nursery, Kindergarten, Primary and Junior departments. The basement houses Fellowship Hall and kitchen facilities.

Drapes Are Donated

The drapes in the classrooms of the first floor and hall were made and donated by members of the Christian Fellowship Class. Elmer

Only 240 Fishing Licenses Sold So Far

With the trout season still ten days away, County Treasurer Jacob G. Appler today reminded that there are approximately 85 miles of stream in Adams County that can be fished at the present time for finny inhabitants other than trout.

The streams are 12 miles of the Bermudian, 38 miles of the Conewago, 24 miles of Marsh Creek, and ten miles of the south branch of the Conewago.

The 240 persons who have obtained fishing licenses so far from the county treasurer are banned however from other streams in which trout have recently been stocked in anticipation of the opening of the trout season.

Warn Tots Away From Reservoir

Borough police and borough authority officials joined today in urging parents to keep small children away from the 1,000,000-gallon open reservoir atop E. Cemetery Hill.

Robert Harner, manager for the borough authority, reported to police Wednesday afternoon that small children had been observed throwing sticks, stones and other objects into the reservoir.

Harner, asking police to check the reservoir occasionally to warn children, noted that the problem of debris in the reservoir is not as serious as the danger to small children who might climb the fence and fall into the waters of the pond.

PEACH DESSERT CONTEST TO BE HELD IN COUNTY

Preliminary plans for the annual Peach Dessert contest were announced today by Miss Florence Finger, county home economics extension representative.

Sponsored state-wide by the Pennsylvania Horticultural Association the contest is open to all single girls between the ages of 15 and 18.

The state contest will be held August 18 and the county event will be held several weeks prior to that date.

As in prior years, the entrants in the county contest will prepare peach desserts at home and take them to the contest where the judges will taste the desserts and also judge them for appearance. They will also judge the entrants on their appearance, familiarity with cooking and poise.

The winners in the county contests, however, will be asked to prepare their dessert at the state competition.

Mrs. Frederic E. Griest, Flora Dale, is in charge of the state arrangements. Invitations have been sent to extension home economists in 22 fruit-growing counties asking them to set up plans for county contests preliminary to the state event.

State Will Improve 52 Miles Of Road In County This Year; Will Spend \$149,430, Redding Says

ASK RED CROSS SOLICITORS TO COMPLETE TASK

With Red Cross officials renewing their plea for workers to complete their canvass as rapidly as possible and make their final reports to the Red Cross office, the fund total stood at \$5,725.38 today.

The Red Cross drive has been extended through the first two weeks of April to give workers time to finish their solicitations. Chairman George W. Naugle said reports from many districts are encouraging but no district has yet made a final report.

The original goal of \$14,000 was boosted in March to \$16,799 when national Red Cross asked nearly \$3,000 extra for flood disaster relief work.

More Donations Listed

The Gardner's plant of the C. H. Musselman Company gave \$100.

The Red Cross office listed these other recent donors to the fund campaign: \$25 from Mr. and Mrs. J. W. Trew; \$15 each from the John C. Lower Company, Mrs. John H. Kadel and James Scott Cairns with \$10 each from the following: Mr. and Mrs. Ralph Bailey, J. Kermit Herter, Mr. and Mrs. Morris Gittlin, Dr. R. P. Hill, Mr. and Mrs. Frank Zettle, Miss Mabel Ruthrauff, R. B. Kitzmiller, Dr. and Mrs. Raymond F. Sheely, Mr. and Mrs. Edmund W. Thomas, Dr. and Mrs. P. J. LIBRARY BOARD TONIGHT

The board of directors of the Adams County Free Library Association will meet this evening at 7:30 o'clock for its April session. The meeting was advanced from the regular date on Friday for the convenience of some of the members of the board.

"HOMECOMING" SERVICE SUNDAY

An all-day homecoming service will be held Sunday at Wesley Chapel, Fountaineau, marking the 99th anniversary of the erection of the chapel.

Sunday School will be held at 9:30 o'clock. Rev. Lamont Henninger, district superintendent, will deliver the sermon at 10:30 o'clock. Music will be furnished by the Mont Alto Methodist Church choir.

Rev. Victor K. Meredith Jr., pastor of the Gettysburg Methodist Church, will deliver a sermon at 3 p.m. Mrs. Meredith will sing a solo. A vocal duet will be sung by Eugene Cline and Raymond Gillan, Charman, accompanied at the piano by Mrs. Cline.

The speaker at the evening service at 7:30 o'clock will be Rev. Ivan Naugle, pastor of the United Brethren Church, Keedysville. John Lady will sing a solo. A vocal duet will be sung by Mr. and Mrs. Preston Brumbaugh, and a special selection will be sung by the Wesley Chapel choir.

The Troup Music House, Harrisburg, has donated the use of an electric organ for the service. The pastor, Rev. Kenneth Bonham, will preside.

Plans will be made Sunday to observe the chapel centennial in 1957.

FIRE COMPANY OFFICERS QUIT

Henry N. Noel resigned as president and first assistant chief and Joseph McMaster as director of McSherrytown Fire Company Wednesday night.

No reasons were given by the two officers for their resignations. Noel, who started his second term in both posts last month, asked to be transferred to the retired list.

Named to fill vacancies were: Henry L. Reese, president; Francis Weaver, vice president; Lewis Smith, first assistant chief; Harry VonSas, second assistant chief, and Leroy Moore, director.

Plans were completed to conduct a house-to-house campaign for benefit of the new truck fund Friday, April 13, starting at 6 p.m. Members will be identified.

Twenty men were appointed apparatus drivers and 12 fire police for the year. Chief Eugene Murren said a drivers' training course will be conducted during the next two months.

Youth, 14, Admits Taking Cigarettes

Borough police Wednesday afternoon took into custody a 14-year-old boy who they say admitted removing a number of cartons of cigarettes from the Kitzmiller Service Station, 246 W. Middle St., Tuesday night.

The youth said he pried open a rear window to enter the service station operated by Dr. Blaine Kitzmiller, 300 W. Middle St. Approximately ten cartons of cigarettes were taken and about \$2 in nickels and dimes were missing. The youth admitted taking the cigarettes but claimed that they were the only articles he removed from the station. A number of cartons of the cigarettes were recovered.

Meantime police were continuing their investigation of a burglary Tuesday night of the Gettysburg High School Industrial arts shop and classroom. A window in the rear of each of the rooms had been broken and whoever entered the two rooms secured about \$15 in coins from a box in the teacher's desk and three drawing sets valued at \$4.50 each.

Pals Took Auto For Florida Trip

A Gettysburg College student reported to the Gettysburg borough police today that two fraternity brothers had driven to Florida in his car without his consent.

He described the car as a 1953 Ford coupe with 1955 New Jersey license plates. The owner, who said he will not press charges if the boys return the car, does not want to be responsible for any accident which might occur. Officer C. W. Culp said.

200 SPORTSMEN
ATTEND ANNUAL
SPRING BANQUET

Over 200 sportsmen were present at the annual spring banquet of the Littlestown Fish and Game Association, Inc., held on Wednesday evening at Bankert's Restaurant, N. Queen St.

Robert J. Stonesifer served as toastmaster, and prior to the meal there was a moment of silent prayer in memory of the five members of the organization who died during the past year: William S. Menges, George Conover, Reid C. Eppelman, Bernard Dillman and George G. Collins. The invocation was offered by the Rev. Porter W. Selwell, pastor of Redeemer's Evangelical and Reformed Church. A roast turkey banquet was served.

Mr. Stonesifer introduced Simon Rhodes, Selinsgrove merchant and noted big game hunter, who showed a colored sound film of one of his East African hunting expeditions. The film showed Mr. Rhodes and his friend from the time of their departure from New York, to Newfoundland, England, Italy, Switzerland, Egypt and other countries. The picturesque hunting scenes includes shots of the 12 different species of animals bagged. While on this trip, Mr. Rhodes and his friend each shot 30 head of game. The guest speaker has done big game hunting in Ontario, Quebec, British Columbia, Alaska and Newfoundland, as well as East Africa.

The following guests were introduced by the toastmaster: Scott Smith, Waynesboro, superintendent of the Bell Telephone Company there; Charles Fasold, principal of the Selinsgrove High School, and Judge W. C. Sheely, Gettysburg. The association president, Elmer W. M. Dutera, was also present. The evening's special award was received by Mark Kane.

The general committee in charge of arrangements for the affair was composed of R. J. Stonesifer, Earl L. Stites and Roy D. Renner. The next regular meeting of the association will be held on Wednesday, May 9, 8 p.m., in the Fish and Game club house, near town. The May refreshment committee comprises David S. Kammmerer Jr., Paul E. Hiltner Sr. and Stanley R. Weikert.

"OUR FREE PRESS"

For people to be well-informed . . . they must be given news . . . for without freedom of the press . . . the public stands to lose . . . we of this great United States . . . are blessed with freedom's kiss . . . few things occur here and abroad . . . that we will ever miss . . . newspapers give a good account . . . of what goes on each day . . . the radio and television . . . also help convey . . . I wonder if you ever stop . . . and think about the pleasure . . . that's gained from being well-informed . . . a treasure beyond measure . . . most people seem to take for granted . . . priceless things they own . . . until, of course, they're gone from view . . . then they begin to groan . . . it's then they realize the worth . . . of treasures they possess . . . and so it is we should thank God . . . for freedom of the press.

NEW BOARD OF
DIRECTORS LAYS
BUILDING PLANS

Plans for a new elementary school building to relieve present overcrowded conditions in the district were made Monday night by the Conewago School Board at a meeting in the Sand Hill School.

Two representatives of the Buchart Engineering Corp., York, explained the procedure necessary for the new building and were authorized to draw up plans to be submitted to the Department of Public Instruction in Harrisburg for approval.

Support for the proposed building was voiced by a group of patrons who attended the meeting. The patrons pointed out that the previous school board, which resigned in January, had refused to plan for a new building. The patrons stated that they felt there is a great need for improvements in the district.

Nurse Resigns
The directors recently went on record not to consider a meeting with the Littlestown Jointure at this time in regard to the district helping to build an addition to Littlestown High School, although there is an Adams County plan to group Littlestown, McSherrystown and Conewago together. At present McSherrystown and Conewago are combined for elementary school.

Directors said that if the state approves the elementary school plans, it may be possible to occupy the new building by December, 1957. It was stated that there will be about 60 pupils in one room at the opening of the new term next fall. There is room for only 40 pupils. Directors said that may require the reopening of one room at Brunsdown, which school has been closed for several years.

Mrs. Gladys Border presented her resignation as school nurse, effective at the end of this term. She also presented a resignation as trustee officer effective at once. Mrs. Charles Zeigler, board secretary, was appointed trustee officer.

Members present were Barry G. Brammer, president; Charles F. Zeigler, secretary; Henry Leppo, treasurer; Francis Livelsberger, vice president and Earl Krepps and also Harold R. Blair, supervising principal.

P. H. HARRIS DIES
JOHNSTOWN, Pa. (AP) — Philip H. Harris, 75, retired president of the Pennsylvania Electric Co. and an electric utility executive for 42 years, died yesterday.

A native of Portland, Maine, Harris came to Johnstown about 41 years ago. He was president of Penn Electric from 1937 to 1946.

HE WAS READY
BOSTON (AP) — Sen. Charles W. Olson (R-Ashland) was intent not to let a bad case of laryngitis keep him from voting yesterday in the state Senate.

He carried two signs, one said "Yes" and the other "No."

The Washington monument is 555 feet high.

Weddings

Lehr-Brandt

The wedding of Miss Ruth Evelyn Brandt, daughter of Mrs. Bertha E. Brandt, East Berlin, and of the late V. Y. Brandt, and Ronald Eugene Lehr, son of Mr. and Mrs. Ivan R. Lehr, Thomasville R. 2, was solemnized Saturday at 4 p.m. in Trinity Lutheran Church, East Berlin.

The Rev. Lester J. Karschner officiated at the double-ring ceremony. Miss Lois Markle, Hanover, was the organist.

The bride was given in marriage by her brother, Frederick V. Brandt. Miss Joyce Danner, Hanover, was maid of honor.

The bridesmaids were Miss Jac-

queline Lerew, East Berlin, and Mrs. Dennis Heathcote, Baltimore. Kitty Sue Zettle and Cynthia Lehr, cousins of the bridegroom, were flower girls.

Ivan S. Lehr Jr., Thomasville R. 2, served as best man for his brother. Usher s were Malcolm Lehr, Thomasville R. 1, and Kenneth Lehr, both brothers of the bridegroom.

Mrs. Hazel Hoffman, East Berlin, was vocal soloist. A reception followed in the church annex.

The bride is a 1954 graduate of East Berlin High School and is employed as secretary by Penn Wood Heel Company, East Berlin. Her husband attended the same high school and is employed as a plumber by his father in York. Upon their return from a wedding trip to St. Petersburg, Fla., the newlyweds will reside in an apartment on Ab-

bottstown St., East Berlin.

Shaffer-Higgs

Miss Emma Margaret Higgs, Hanover, daughter of the late Philip and Sarah Wagaman, formerly of Waynesboro, and Rev. Rodney Francis Shaffer, also of Hanover, were married Sunday afternoon at 2 o'clock in Otterbein EUB Church.

Rev. Paul R. Wineka, pastor, performed the ceremony. The bridegroom is the son of Mrs. Lotie Shaffer, York Springs R. 2.

The couple who plan a wedding trip to the Pocono mountains in July, will reside at 619 Moul Ave.

The bride is employed at Hanover Grove company and her husband, a Church of the Brethren minister, is employed at Hanover Cordage company.

Today's Talk

INFLUENCE

Influence is one of the great
powers in this world. There isn't
a single human being who is not
influenced by some one else, by
the reading of a book, or through
a love of everything in nature. In
fact, influences of a variety in
number are daily influencing us
without our realizing it.We are influenced by color, all
phases of beauty, and by an en-
dless number of men and women
with whom we have come in con-
tact whose nobility and integrity
our very body and soul. Even
though we have never met a per-
son whose life we admire, there is
that acquaintance of spirit which
is a silent influence in the world.I had many teachers in school
whose influence was so strong that
it has never left me. Most of them
have gone to their reward, but all
of them live on, and their very
memory is a blessed thing. How
good to be remembered thus!There is an old proverb as fol-
lows: "You can count the num-
ber of apples on a tree, but you
can never count the number of
trees in one apple!" A single
acorn may be the father of a for-
est. From whence came the single
seed that has given to Texas its
beautiful fields of Blue Bonnets?
Influence is like a seed that grows,
and grows, and grows.Thomas Carlyle wrote a famous
book "Heroes and Hero Worship"
and named many of the great
whose influence has touched mil-
lions, though all of them were
dead when he wrote the book. You
see, influence is deathless. The in-
fluence of Abraham Lincoln grows
greater with the passing of each
year.Every friend we have has an
abiding influence upon us. And
we are lucky if we have influenced
rightly another human being. We
are even influenced by the weath-
er — and an ache in the back!Tomorrow Mr. Adams will talk
on the subject: "For Love Of
Birds"Protected, 1956, By The George
Matthew Adams Service

EXPERIMENT

I think I'd like to buy them all,
But little room for growth
have I.
I'd like the big ones and the small
To please the stranger passing
by.But one must give his heart to seeds
And choose his favorites with
care,
And he must fight the choking
weeds
Or scarce a blossom they will
bear.A friend once had the self-same
thought
And fancied 'twould be fun to
try —
Some seeds of everything he bought
And strewed them in a lot
near-by.There grew the low plant and the
tall,
The quick to blossom and the
slow,
And from the springtime to the fall
That field with beauty was
aglow.

PUTTING STRAIN
ON WEST ALLIES

By WARREN ROGERS JR.

WASHINGTON (AP)—American,
British and French officials who
have joined in seeking a peaceful
solution to the Middle East prob-
lem are finding the task a strain
on their countries' traditional al-
liance.President Eisenhower was asked
questions bearing on that strain at
his news conference yesterday, as
was Secretary of State Dulles the
day before.Earlier in the week the maga-
zine U. S. News and World Re-
port published a copyrighted inter-
view with French Prime Minis-
ter Guy Mollet said at Paris:
"The Socialist-French govern-
ment has no intention of break-
ing its alliance with the British
and the Americans, but it has the
intention to say to both: 'If we
continue like this we will lose the
game.'"Differences Apparent
Mollet was talking about the
cold war in general, but made
particular mention of the Middle
East. Dulles declined to comment
specifically on Mollet's criticisms.
But American and French differ-
ences over Middle East policy
have been apparent for some time.
The French, with their hands
full in North Africa, have had a
small role to play. But they re-
cently lost a diplomatic attempt to
spread responsibility for supply-
ing Israel with 12 French jet
fighter planes.The French reasoned that if
they sent arms to Israel, they
would incur the wrath of the
Arabs in North Africa.Paris Is Delaying
But the United States agreed
only that the 12 jets could be
taken out of the North Atlantic
Treaty allotment, leaving to the
French sole responsibility for
sending them to Israel. As of to-
day, Paris still is delaying deliv-
ery.The British ran into trouble
with Greek union elements in
Cyprus. Then British leaders were
bounced out of the Arab Legion
by Jordan.Amid these reverses, the British
have reportedly been urging
the United States to take a strong-Hear Witnesses In

witnesses were called today in
the second day of a federal grand
jury probe into alleged irregulari-
ties in construction of the 33 mil-
lion dollar Army Signal Corps dep-
ot at Tobyhanna.The jury heard testimony yester-
day by a man identified as
George Stout from the Philadel-
phia office, Army Corps of En-
gineers.U.S. Atty. J. Julius Levy did
not state Stout's role in the probe.
The Philadelphia engineer's of-
fice supervised construction of the
huge depot in the Pocono Moun-
tains between here and Strouds-
burg.Stout entered the grand jury
room carrying many papers and
records with him and remained
there throughout the day except
for the lunch period.er line. Eisenhower, however, told
newsmen yesterday that "if they
have, they haven't pressed me."
Britain and France are now re-
portedly disturbed because the
United States, while withholding a
decision on Israel's November re-
quest to buy 63 million dollars in
U.S. arms, has said it has no ob-
jection to Israel's buying arms
from Britain or France.Diplomats said this looked to
the British and French as if the
United States was maintaining an
air of "friendly impartiality"
while perhaps allowing Britain
and France to take the rap from
the Arabs for any arms shipments
to the Israelis.American officials emphasized
U. S. policy looks to the United
Nations in the Middle East situa-
tion. They argue, as Dulles did
Tuesday, that the U. N. created
Israel and imposed the Palestine
truce, and therefore has prime
responsibility.TURKEY AND

HOUSTON, Tex. (AP) — Manager Bobby Bragan is impressed with the way his two veteran pitchers, Max Surkont and Red Munger, have handled themselves in Pittsburgh Pirate exhibition games.

Munger, a 38-year-old right-hander, is trying to make a comeback in the majors. He had a 23-8 record for Hollywood of the Pacific Coast League last year. Surkont, at 35, still can be counted on for two or three good innings in relief.

CHANGE BOXING CODE

HARRISBURG (AP) — Gov. Leader signed into law yesterday amendments to the new state boxing code to prevent amateur boxers from fighting under a assumed names unless registered with the State Athletic Commission.

SELECT DOZEN COURTMEN FOR OLYMPIC PLAY

KANSAS CITY (AP)—Olympic officials today picked a dozen basketball players the United States will send to the Olympic Games next November in Australia.

Five come from the playoff champion Bartlesville Oilers: Burdette Halderson, Bob Jeangerard, James Walsh, Chuck Darling and Bill Hougland.

Selected from three other teams the Oilers met during a three-night round-robin playoff here were Carl Cain, Bill Russell and K. C. Jones of the College All-Stars; Billy Evans, Gib Ford and Ray Warren of the armed forces; and Dick Boushka of the Seattle Bakers.

One '52 Veteran
Of the 12, only Hougland was a member of the U.S. team which swept to victory in the 1952 Olympics. At that time he was a Kansas University student.

The Oilers qualified for five places on the team by defeating the College All-Stars 79-75 in the final night of the playoffs. The balance of the 12-man team was selected by Olympic officials in consultation with Gerald Tucker, Oilers coach who automatically became Olympic coach by virtue of his team's victory.

Named assistant coach of the Olympic squad, subject to approval of his school, is Frank (Bucky) O'Connor, who directed the College All-Stars to two victories in the playoffs before bowing to the Oilers. O'Connor is head coach of basketball at Iowa.

Oilers Take Early Lead
The playoff champion was then determined by an Olympic rule which gives two points for a victory and one for a loss, but in the event of two teams finishing with similar point totals gives the playoff victory to the team which defeated the other.

Against the All-Stars the champion Oilers roared into a quick lead in the first half sparked by Darling, the 6-9 former Iowa player. Darling scored 19 points in the first half and with two more points in the second half was high for the Oilers.

Alternates named to the Olympic team were Joe Dean of the Oilers, Willie Naults and Hal Lear of the All-Stars, Terry Rand and Charles Koon of the Bakers and Ray Warren of the armed forces.

DELONE LOSES OPENING GAME

The Delone Catholic High School basketball team lost its opening game of the season when it bowed 6-4 at Kennard-Dale Wednesday afternoon.

Delone pushed over four runs in the top of the second inning to take a 4-1 lead but Kennard-Dale came up with three runs in the last of the fourth to clinch the verdict.

The Squires will play at Littlestown Friday afternoon.

Season Is 12 Days Off But Battle's On Already Between Braves And World Champions

By ED WILKS
The Associated Press
The National League season doesn't open for 12 days, but the battle's already on between the world champion Brooklyn Dodgers and the Milwaukee Braves.

Tempers have flared. Don Newcombe, tired of being called "gutless," is mad.

After a couple of squabbles that almost led to fist fights in the Braves' 7-5 10-inning decision over the Brooks yesterday, Big Newk said today, "Those guys sit around all night saying how gutless our pitchers are — especially me."

"Well, we'll see about that tomorrow."

Newcombe To Pitch

Newcombe is slated to face the Braves at Chattanooga tomorrow as the two NL contenders continue their eight-game homeward tour from Florida. They play at New Orleans today.

But if yesterday's doings are any indication of what's to come — and if Newk is serious — it won't be an exhibition tour, pal, it will be a running skirmish.

Things started jumping in Mobile, Ala., yesterday when Roy Campanella came to bat for the Brooks in the second inning with the bases loaded. He hit the dirt to escape Bob Buhl's first pitch, and on the next toss tapped into a double play. The call at first was close and Campy, who weighs 205, tromped on Joe Adcock's left foot as he crossed the bag.

When the Brooks came to bat in the third, Adcock and Milwaukee catcher Del Rice started jawing with the Dodger bench, which returned the jeers. Suddenly both Rice and Adcock started for the Brooklyn dugout. Jackie Robinson, Carl Furillo and Duke Snider cut them off. There was nothing more than pushing and an exchange of words.

Brownawell, Dasher And Mummert Among Little All-State Cage Choices

Three Adams County League players were honored in selections of the Associated Press Little All-State basketball squads announced today.

Ron Brownawell, Boiling Springs, was selected to the first team and his teammate, Eddie Dasher, was placed on the second team.

Sian Mummert, Littlestown star, was given an honorable mention.

HARRISBURG (AP)—Height and scoring ability are the dominant characteristics of the 1956 Associated Press Little All-State scholastic basketball team released today.

The 1956 squad of six from Class B and C schools averages 6-3, ranging from 6-7 down to 6-0, and has tallied a total of more than 3,600 points—an average of more than 600 points a player during the season.

Rangy Bob Aiden, Hatboro, led the balloting among 200 sports writers, sportscasters and coaches.

Completing the squad are Dick Kosman, Fountain Hill; Ron Buchner, Scranton St. Mary's; Eugene Bennett, Wampum; Terry McGovern, Lykens, and Ron Brownawell, Boiling Springs. Kosman is a junior, the others are seniors.

Second Team

Bob Liberatore, Bristol
Ed Dasher, Boiling Springs
Karol Strelecki, Fountain Hill
Larry Zeh, Darlington
Sam Sherwood, Shannock Valley

Third Team

Mike Wallace, Fell Twp.
Garry Johnson, Renovo
Jerry Ricci, Schickshinny
Larry Freedman, Susquehanna Twp.

Bill Golls, Laurel Valley
Bill Hamilton, Scotland

Honorable Mention

Schnitzki, Wampum; Watts, Jenkintown; Powell, McDonald; Stanton, Columbia; Cox, Collingdale; Mummert, Littlestown; McCarthy.

Bowling League

Gets PIAA Support

Mark Funk, executive director of the PIAA, said the association is "favorable" toward the proposed formation of a scholastic bowling league during a meeting held Wednesday afternoon at Mechanicsburg.

Among the schools interested in joining the circuit is York Springs High School. James Young, a member of the York Springs faculty, is credited with starting the movement for a league.

Tentative plans call for the season to open next January and continue for 16 weeks.

VIC WERTZ IS FULLY CURED OF POLIO ATTACK

CORPUS CHRISTI, Tex. (AP)—Vic Wertz wants fans to think of him today as a first baseman and not as a recovered polio victim.

"I've made a definite effort to drive all thoughts of polio from my mind," said the Cleveland Indian slugger. "I'm over it and I want to forget it. I don't want any favors or special privileges because I had it."

Wertz, 31, was hit by polio late last season but has fully recovered. He said he thinks he has at least two good years of baseball left and he'd "like" to hit 30 home runs just once before I quit." Wertz hit 27 for the Detroit Tigers in 1950 and again in 1951.

"I think I might have made it last year. I hit 14 in 74 games and didn't have a single hot streak. Something always kept putting me back on the bench." He compiled a .253 batting average and knocked in 55 runs before polio struck.

Manager Al Lopez said Wertz's exhibition performance is 100 per cent better than he thought it would be. "Why he's even 100 per cent better than he was last spring," Lopez added.

GHS Trackmen Will Oppose Chambersburg Here Friday At 3:30 In Initial Meet

There is little likelihood any records will be made when the Gettysburg and Chambersburg High School track squads meet here Friday afternoon at 3:30 o'clock in the initial engagement of the season.

Hampered for the last several weeks by inclement weather, neither squad is expected to approach mid-season form for the meet.

Until Wednesday, the Warriors had used their track but once.

Pistons Out To Even Series With Warriors

FORT WAYNE, Ind. (AP)—The Fort Wayne Pistons' biggest problem appears to be stopping Paul Arizin as they try to square their National Basketball Assn. championship series with Philadelphia here tonight.

Arizin has scored 82 points in three games, and the Warriors hold a 2-1 edge in the best-of-seven series. They won two four-point victories at Philadelphia, and the Pistons won by a single point here.

Fort Wayne may have to put two men on Arizin to keep the home floor hex working. Philadelphia hasn't won a game here in four years but almost made it Sunday.

Holdovers and their probable events are: Merle Gorman, 220, 440, broad and high jumps; Don Smith, shot-put and relays; Glenn Weishaar, hurdles and quarter mile; Ken Keefer, quarter mile; Charles Washington, broad jump, dashes and relays; John Wheeler, mile; Ralph Heffner, pole vault; Jon Wagnild, hurdles; Bill Woods, high jump and javelin; Rodney Steinhour, discus; Ronald Shriver, dashes, relays; Tim Crouse, pole vault; Jack Crist, sprints, and Fred Hughes, 220.

Fresh Promising
One bright spot in the track picture is the fine group of freshman candidates. However, few if any will help much this year but should prove fine performers in future years.

At present there are 51 candidates on the squad.

DULLES SEEMS TO ECHO KENNAN OCCASIONALLY

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—If Secretary of State Dulles, in talking about the Russians' switch to a softer line, sometimes sounds as if he had just been reading George Kennan, it is an oblique tribute to former President Truman.

Dulles seldom pays any direct tribute to Truman. He almost never mentions him. But he says the Russians have been forced to change their tactics by the U.S. policy of foreign aid and military alliances.

This policy was laid down by Truman. It is largely followed by the Eisenhower administration. This is flattering to Truman, as he acknowledged this week, and it might seem enough to make him content.

He's Not Content
But it doesn't. What he prefers, he said, is for the Eisenhower administration to come up with some new program to meet changing conditions because the times call for it.

Kennan was the State Department's top expert on Russia and director of its policy planning staff when the cold war was starting in 1947. That was the year Truman began the foreign aid program which President Eisenhower continues.

Kennan has been credited with thinking up the idea which became U.S. policy. It's been called "containment." The idea was simple enough: stop Russian expansion by building a ring of military alliances around the Soviets. Eisenhower and Dulles have continued and increased the military alliances begun by Truman.

Pursued '52 Policy
Although in the 1952 presidential campaign Dulles criticized mere "containment" as futile, the day after election he reassured "our friends abroad who will fear lest our foreign policies change."

Dulles not only didn't change those policies, he pursued them. Last Feb. 26 Dulles said there had been a "notable" shift in Soviet foreign policy because the Russians "have been thwarted by the free world." He called the military alliances heavy pressure on the Soviets.

On Feb. 24 he said Russian policies of intolerance and violence "have gradually ceased to produce results . . . The free nations have banded together. . . The result is that they (the Russians) have got to revamp their

whole creed from A to Z."

Varying Views

At times Dulles doesn't seem sure whether the Russians are revamping "their whole creed from A to Z" or whether they are just shifting their tactics because they think they can catch more flies with molasses than with Stalin's vinegar.

On April 3 Dulles said: " . . . Insofar as I am aware, the Soviets, while they have attempted

to disavow much of Stalin's program and many of his acts, have not themselves come up with any substitute . . .

"The downgrading of Stalin does not of itself demonstrate that the Soviet regime has basically changed its foreign or domestic policies."

DIAZ BEATEN BY MARTINEZ FOR 21ST WIN

MIAMI BEACH, Fla. (AP)—Sharpshooting Vince Martinez, taking no chances of an upset in his campaign for a shot at the welterweight boxing crown, gave Cuba's Miguel Diaz a bad beating last night in a televised 10-rounder at the City Auditorium.

It was the 21st, straight victory for the hard-hitting Paterson, N.J., fighter, No. 4 contender in his division. It moved him a step nearer to a title bout with Johnny Saxton, Diaz, the Cuban champion, was a tough, aggressive customer. For eight rounds, although he absorbed heavy punishment, he carried the fight to Martinez with wild rushes.

Not until the ninth did Martinez, a 4-1 favorite, take charge. He dropped Diaz in that round with

a left and right to the jaw, but the bell ended the count at seven as the game Cuban climbed dizzily to his feet.

A smashing right to the jaw dropped Diaz again for an eight count in the final round but he was on his feet at the end.

Martinez, 26, was a lopsided winner on all cards. Referee Eddie Coachman called it 100-85, Judge Gus Jacobson voted it 99-86, and Judge Stu Winston 99-89. The Associated Press had it 100-89.

Martinez weighed 147½ to 150 for Diaz.

FIGHTS LAST NIGHT

By THE ASSOCIATED PRESS
MIAMI BEACH, Fla. — Vince Martinez, 147½, Paterson, N. J., outpointed Miguel Diaz, 150, Havana, 10.

NEW ORLEANS — Willie Pasirano, 188, New Orleans, outpointed Johnny Arthur, 228, South Africa, 10.

Kenny Sailors, former basketball star at the University of Wyoming, is a member of the Wyoming state legislature.

Littlestown FIREMEN PLAN SPRING SMOKER FOR APRIL 20TH

Alpha Fire Company No. 1 will hold its annual spring smoker on April 20 and plans for the event were completed at the monthly meeting of the company held on Tuesday evening in the engine house.

The smoker will begin at 8 p.m. on Friday, April 20, in the engine house, and shrimp will be served. The refreshment committee includes Lake A. Shambrook, chairman, Stanley Straley, Charles W. Randall, Ivan D. Rickrode, Raymond Clabaugh, Kenneth Shambrook, Lloyd Harner, Earl Harrison, Robert L. Snyder and Dennis S. Wallick. The chairman requests that other members who are able will volunteer their services for the evening. Tickets, in charge of Paul E. Altoff, were distributed.

Vice President Leslie Shinham presided at the session, which opened with the singing of "America," followed with group prayer. A report was heard from Harry W. Badders, secretary. James A. Wetzel was nominated for membership and Charles W. Randall, Guy L. Conover and Richard Stulley were appointed as the investigating committee. James R. Armstrong was elected to membership. Bills were

ordered paid amounting to \$199.13 and receipts of the evening totaled \$235.58.

New Service Truck Soon
Bernard M. Selby, a member of the new truck purchasing committee, announced that the new service truck is scheduled to arrive this month. Selby, who is also chairman of the general carnival committee, announced the appointment of the following entertainment committee: Paul E. Altoff, Harry W. Badders and Richard Selby. Kenneth W. Olinger was named chairman of the game committee, and the following were appointed as the building committee: George W. Streig, Norman J. Hahn, Jack H. Crouse and Herbert Frock.

Jack H. Crouse was chosen as delegate to the annual State Firemen's Convention in Scranton on October 4, 5 and 6. An invitation was received from the Goodwill Fire Company, Grangeville, to attend firemen's night on Friday, April 20, 7 p.m., when the host company will celebrate the renovation and the opening of the new addition to their former building.

A revision to the bylaws was presented by Edward L. Warner, Robert L. Snyder and Guy L. Conover. The revision, approved by the company, provides that a nominating committee be appointed each year in October; the slate of officers will be presented in November; election will take place in December, and installation at the January meeting.

Three Calls In Month
Announcement was made that the next meeting of the Adams County Fire Police Association will be held in Abbottstown on Monday, April

9, at 8 a.m., when there will be nomination of officers, movies and a speaker.

Fire Chief E. Ohler reported three calls since the last meeting, with an estimated loss of \$10,400. Truck Foreman Dennis S. Wallick announced that classes are being continued monthly in the use of the company's resuscitator and those interested in learning to use this equipment are asked to attend the next class on April 16, 7:30 p.m., in the engine house.

Secretary Badders informed the firemen that the roll at present consists of 275 members. Four members have been dropped from the roll due to having moved their residence from the borough and eleven members were dropped for non-payment of dues.

Refreshments were served to the 65 members present by Glenn E. Unger, Stanley Straley and Raymond Clabaugh. A portion of the refreshments were provided by Renner's Atlantic Service Station.

The Alpha firemen will meet again on Tuesday, May 1.

Chinese Reds Join In Stalin Attack

HONG KONG (AP)—The Chinese Communists have climbed aboard the anti-Stalin bandwagon with a denunciation of the cult of the individual.

Peiping radio said Stalin-like mistakes also had been made in Red China, but it did not give the slightest indication that Chinese Communist chief Mao Tse-tung is in line for any trimming down.

Orrtanna

ORRTANNA — E. J. Naugle, Orrtanna R. D. and his son-in-law, J. D. Miller, Biglerville, visited Sunday with the former's nephew, Guy Tipton, who is ill at his home in Waynesboro.

Musselman accompanied their cousin, Danny Roth, also a student at Bluffton College, who spent the Easter season with his parents, Mr. and Mrs. Arthur Roth.

Nineteen dollars and twenty-five cents was cleared from the food sale held at King's Grocery on

Good Friday by the W. S. C. S. of the local Methodist Church.

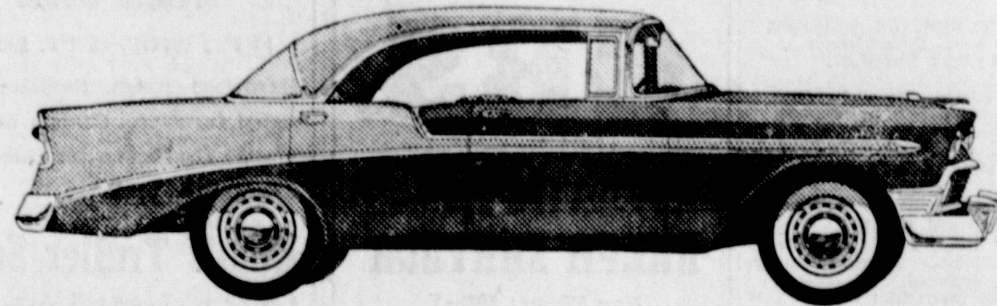

KILLED IN CRASH
SAN ANTONIO, Tex. (AP)—A Superfort, its power failing and desperately short on altitude, smashed into a 410-foot radio trans-

mission tower Tuesday, then careened half a mile before crashing. One man was killed. Six crewmen walked away from the plane shortly before it exploded and burned.

ADVERTISE IN THE TIMES

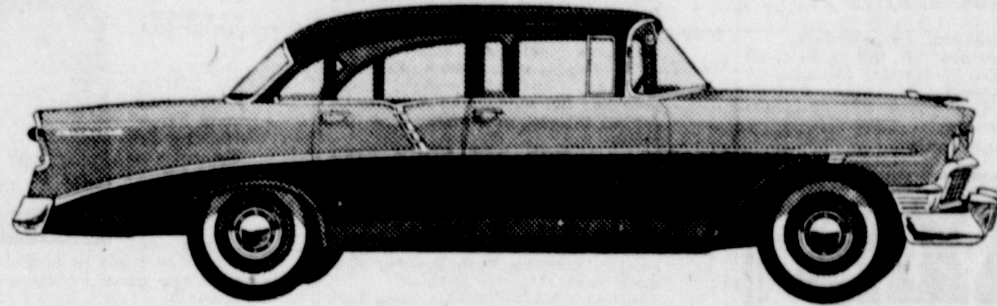

Spiced crabapples are readily available at most food markets. Use the syrup from the fruit for basting a clove-studded boneless pork shoulder butt. Heat the crabapples and serve as a garnish for the meat.

STRIKE COST \$300 MILLION

PITTSBURGH (AP)—Gwilym A. Price, president and board chairman of Westinghouse Electric Corp., told stockholders today that a 5-month strike cost 300 million dollars out of expected shipments.

Speaking at the 70th annual shareholders meeting, Price said: "Operating results in January and February indicate a loss for the first three months of 1956 of somewhat more than a dollar a share."

"I am sure you recognize that with production just getting underway at many of our plants it is impossible to forecast accurately what the results are likely to be in the second quarter."

The big electric appliance firm—14th largest corporation in the country—just recently reached agreement with two unions ending the longest major strike in the nation in 20 years.

The electric company president also told the shareholders that a 296 million dollar expansion program begun in 1951 is completed. He said new orders received during 1955 were 12 per cent above those received in 1954 and continue at a high level so far this year.

ANNOUNCEMENTS

In Memoriam 3

FARRAR: In loving memory of my dear parents who passed away: my father, 13 years ago Feb. 20, 1943, and my mother, 7 years ago today, April 5, 1949. Blessed are those who have her still. To kiss away their tears. While others see her smiling face across the barren years. She lived a life that all might envy. Loved and loving, gentle, kind. And in death her blessed memory comforts me, who is left behind.

Like a ship that left its moorings and set bravely out to sea. So some one dear has sailed away into eternity. Father has taken his last long voyage. On a beautiful ship called Rest. Away from this world of sorrow. To a land that is peaceful and blessed. Loving Daughter. ELIZABETH

COMPLETELY NEW! COMPLETELY DIFFERENT!

*Imperial's got the flavor
that's been missing
in margarine!*

***imperial* IS THE FIRST MARGARINE
UNCONDITIONALLY GUARANTEED TO TASTE
LIKE THE HIGH-PRICED SPREAD!**

You're going to be seeing a brand new product at your grocer's today . . . a product so superior that it carries a guarantee never before made — in all of margarine history. Imperial is the first margarine *guaranteed* to bring you the tantalizing flavor formerly found only in the expensive spread for bread.

IMPERIAL'S GOT THAT FLAVOR

Flavor is what's been missing in margarine. And flavor is what Lever Brothers devoted seven years to achieve. It wasn't hard to make Imperial *spread* smoother and easier than any other margarine. And it wasn't hard to make Imperial as *nutritious* as even the most expensive spread you can buy. The trick was flavor. And Imperial is the first margarine to capture and hold that unmistakable flavor everybody loves.

YOU AGREE—OR LEVER BROTHERS RETURNS YOUR MONEY

We know you may find it hard to believe that a margarine could live up to all we claim for Imperial. So to make it possible for you to try Imperial without any risk, Lever Brothers unconditionally guarantees that if Imperial doesn't taste like the high-priced spread to you — they'll return every penny you spent to try it.

P.S. Like the high-priced spread, Imperial is delicate and perishable. So to protect its perfect flavor, always keep Imperial in your refrigerator.

URGES 'GRASS ROOTS' MOVE TO SECURE VOTE

WILLIAMSPORT, Pa. (AP) — The Republican party is looking to a "grass roots" movement to assure the election of organization-backed candidates in the April 24 primary.

Henry W. Lark, Republican primary campaign chairman, told a GOP rally here Tuesday night that "we must go back to the grass roots and the country and town hall level to assure a return of Republican power."

He made the statement at the second in a series of rallies aimed at drawing a large Republican vote in the primary. Over 300 leaders from 19 north-central Pennsylvania counties attended the meeting.

Urges Avoiding Strife

Calling the party workers "tollers in the vineyard," he urged avoidance of party strife and inter-party factions to assure victory.

Unless the party shows a 50 per cent margin for President Eisenhower over Adlai Stevenson in the primary, Lark declared, "there will be no use manning the polls

in November."

Eisenhower's name is entered on the Republican ticket in the presidential preferential ballot while Stevenson's name appears on the Democratic side.

Speak At Rally

Organization candidates who spoke at the rally were Rep. Robert F. Kent (R-Crawford), for state treasurer; Judge Benjamin R. Jones of Luzerne County for Supreme Court; G. Harold Watkins, senate secretary, for Superior Court and Rep. Alvin R. Bush (R-Pa.) seeking reelection.

Rep. Charles Smith, candidate for auditor general, and Sen. James H. Duff, seeking reelection were unable to attend.

On another front, Judge Henry X. O'Brien, Allegheny County jurist seeking the Republican nomination for Supreme Court against Judge Jones, said his backers include the Mellon family of Pittsburgh.

On Telecast

O'Brien, appearing on a television panel in Harrisburg Tuesday night (WTPA's Capitol Correspondents), said the Pittsburgh industrial family has been among contributors to Republican organization campaigns in the past. O'Brien is running independently.

The jurist said he is seeking support in every county of the state and noted that the Central Labor Union in Pittsburgh has already announced its backing.

Fairfield

FAIRFIELD — Mrs. Ella Reid, Henderson Apts., is spending some time with relatives in Falling Waters, W. Va.

A "Speaking Contest" was conducted last week at the Fairfield High School by the members of the FFA Club. The contest was held in the vocational agriculture room with the medal for the best presentation awarded to Francis Cool. Winning honorable mention were Elvin Pryor Jr., Russell Hartman and Gary Moritz.

The Year Book staff of the Fairfield High School sponsored a box social during the lunch hour at the high school last Thursday. The lunches were packed by the girls with the boys buying their choice.

Students from here who spent the Easter vacation with their parents were John Mickle, Pennsylvania State University; Anita Inskip, Joanne Martin and Elton Martin, Millersville State Teachers College; Harold Brown, Shippensburg State Teachers College, and Richard George, Stroudsburg State Teachers College.

Mrs. J. Warren Martin entertained the bridge club Monday evening. Prizes for scores were won by Mrs. Robert Musselman, Miss Mary Harbaugh and Miss Mary Jane Wills. The club will meet in two weeks at the home of Mrs. Clarence Wilson.

Mr. and Mrs. Samuel Musselman left Saturday morning for Louisiana to visit their son, Ray, who is critically ill in the Air Force Hospital there.

Dr. and Mrs. James Hammett and sons spent Easter Sunday at the homes of their parents, who reside near Pittsburgh.

Mr. and Mrs. Charles Waddle, and children, Richard and Dorothy, Mr. and Mrs. Robert Waddle and daughter, Linda, all of Bridgeport, Conn.; Mr. and Mrs. Charles McDannell and daughters and Mr. and Mrs. Stanley Musselman and daughter, Ann, of Quarryville, Pa., visited over the weekend at the home of Mr. and Mrs. J. B. Waddle.

Mr. and Mrs. Walter Leister, Hazleton, and Mr. and Mrs. Robert McCullough and children, Falls Church, Va., spent the weekend at the home of Mr. and Mrs. S. L. Allison.

Jackie Inskip is recovering from a tonsillectomy performed last week. Mr. and Mrs. Dean Lemon spent Easter Sunday at the home of her parents in Columbia.

John Snyder, Cape Vincent, N. Y., is visiting relatives here.

Mr. and Mrs. Edgar McClellan and family, Columbus, Ohio, spent the weekend at the home of his mother, Mrs. John McClellan.

The Fairfield Lions Club will

sponsor a card party Thursday evening in the high school cafeteria.

The Rev. and Mrs. Verle Schumacher and sons are spending a few days this week at the home of his parents near Pittsburgh.

Mr. and Mrs. Harold Holt and daughter, Columbus, Ohio, spent the Easter weekend with her parents, Mr. and Mrs. Stuart Sites.

Mr. and Mrs. Otto Schmid, Baltimore, visited over the weekend with Mrs. Schmid's parents, Mr. and Mrs. Guy Dolly.

Mr. and Mrs. Frank Conrad, Waynesboro, spent Easter Day with Mrs. Conrad's father, H. L. Harbaugh, and with her sister, Miss Mary Harbaugh.

Mr. and Mrs. Guy Brown have moved from the Henderson Apartments to Mont Alto.

Miss Deloris Neely, Wilmington, Del., spent the Easter weekend with her parents, Mr. and Mrs. William Neely.

Miss Barbara Henderson has resumed her teaching at Colby Junior College, New London, N. H., after spending the spring vacation with her parents, Dr. and Mrs. Ira M. Henderson.

A birthday dinner was held Sunday at the home of Mr. and Mrs. Harry Kane in honor of their aunt, Mrs. Mae Lowe, Emmitsburg, who observed her 75th birthday on Saturday. In addition to the Kane children, Miss Jane Lowe, daughter of the guest of honor, was present.

Mr. and Mrs. Roy Chapman and Mr. and Mrs. Ralph Stahley, York, spent Easter Sunday with Mr. and Mrs. Chester Chapman, Fairfield R. 2.

Mr. and Mrs. Robert Davis and family visited Sunday with relatives in Washington, D. C.

Easter Sunday visitors of Mr. and Mrs. Ott Schultz were their son-in-law and daughter, Mr. and Mrs. Luther Peters, York, and their grandson, Leroy Schultz, Pittsburgh.

DEFEAT JOINT SERVICES FOR COMMUNITIES

HARRISBURG (AP) — A bill that would have authorized communities to join in joint service districts for municipal services was defeated Tuesday night by the House 94-84.

The measure, strongly backed by Philadelphia lawmakers, was denounced by neighboring Delaware County legislators as "a threat to free government."

"We see it (the bill) as a threat to free government," declared Rep. Bell (R-Delaware) during yesterday's hour-long debate on the plan.

Would Sell Services

The proposal would have authorized adjoining communities across the state to set up a joint service district to provide such municipal

Mrs. Thomas Newman, chairman of the Cancer Drive, has announced that solicitors have been obtained and the house-to-house solicitation will be made this month.

functions as water service, sewage service, police and other features.

The joint service district would have been prohibited from levying taxes, but would have been allowed to sell its municipal services.

"We in the smaller counties don't want it," Bell declared. "We don't want interference."

Condemns Measure

He contended Philadelphia wanted the plan as a "charter ripping" measure which would have deprived city employees of civil service protection they now enjoy under the Philadelphia city charter.

"I condemn this measure as a 'ripper' of employees protected under the city charter," Bell said.

However, in defense of the measure, Rep. Toll (D-Phila.) contended the plan was basically sound and that Philadelphia wanted to join

in supporting it as a benefit measure for the city.

Gets Support

"This measure has limitations," he declared. He added there would be no way under the measure in which the City of Philadelphia could "gobble up" neighboring regions.

Bell then declared: "Thou shalt not covet thy neighbor's government."

Other members of the seven-member Delaware County delegation

in the House joined in opposing the measure.

They pointed out that the bill failed to make mandatory a referendum on establishment of a joint district.

ALL-WOMAN COUNCIL

USE OF TROOPS IN MIDDLE EAST IS NEW ISSUE

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—The Middle East is churning, but war between Israelis and Arabs hasn't broken out. Secretary of State Dulles says he does not foresee any crisis requiring use of American troops there.

If the need arises, he says, President Eisenhower will want to get the approval of Congress before sending troops unless there is an emergency which does not permit time for congressional action.

Dulles thus stated the right of a president to use troops in an emergency. The point became a sore one the last time a president did that.

President Truman ordered U.S. forces into action two days after the North Korean Communists attacked South Korea in 1950. Congress was in session at the time but Truman didn't ask advance congressional approval.

Called "Inescapable" Shortly before announcing his decision, he called in members of the House and Senate committees which deal with foreign affairs and got their unanimous endorsement.

Eisenhower, then a general, said the decision was "inescapable." Sen. Knowland (R-Calif.) said Truman should be given "overwhelming support." Sen. Bridges (R-NH) said the decision was a "damned good move."

The late Sen. Taft (R-Ohio) backed the decision but criticized Truman's action as a "complete usurpation of congressional" authority.

By 1952 the Republicans had made Truman's action a campaign issue. They said in their party platform:

"We charge that they (the Democrats) plunged us into war in Korea without the consent of our citizens through their authorized

representatives in the Congress...."

Backed By Congress
Last year when it seemed possible the Chinese Communists might attack the Nationalist Chinese on Formosa, or their outlying islands of Matsu and Quemoy, Eisenhower went to Congress.

He asked approval to use armed forces for the defense of Formosa if and when he thought necessary. He got it. But he didn't ask such authority because he felt he lacked power to do it on his own.

He told Congress in a special message: "Authority for some of the actions which might be required would be inherent in the authority of the commander in chief."

"Until Congress can act I would not hesitate so far as my constitutional powers extend, to take whatever emergency action might be forced upon us...."

GRACE KELLY LEAVES TODAY FOR WEDDING

NEW YORK (AP)—Altar-bound Grace Kelly sailed for Monaco on Wednesday accompanied by an entourage of 80 and with 60 pieces of luggage and a trousseau befitting a princess.

The movie star had one of the most luxurious suites on the American Export liner Constitution—two rooms and an outside veranda.

Quartered in suites and state-rooms nearby were her parents, Mr. and Mrs. John B. Kelly of Philadelphia; other members of the family, friends and business associates.

Even Miss Kelly's black French poodle Oliver was scheduled to go along.

Miss Kelly's husband-to-be, Prince Rainier III of Monaco, will meet the wedding party April 12 aboard his yacht in the Mediterranean off Monte Carlo.

The ruler of the tiny principality on the Riviera and the beautiful American blonde will be united in a civil ceremony April 18 and in a Roman Catholic wedding the next day.

The couple haven't seen each other since mid-March, when the Prince left Hollywood and sailed for home from New York. But they have talked by telephone frequently since then.

Have You Seen This Fugitive?

He is one of the ten most wanted men by the FBI
●

AUGUST JUNIOR GERBITZ

August Junior Gerbitz had the reputation in Evansville, Indiana, as being a dead shot. His friends consider him to be the best shot they have ever seen, one of his hobbies being to throw bottles and cans into the river and shoot at them with a pistol or a revolver. He is said never to miss, and because he did not miss on the morning of December 16, 1954, the FBI is looking for him on the charge of unlawful flight to avoid prosecution for murder.

August Junior Gerbitz was born July 20, 1924, at Evansville, Indiana. He worked as an electrician's helper

drinking but was not arrested. Finally Gerbitz got into an argument with a bartender who shot him in the right leg, but again no arrests were made. August was discharged from his job as millwright and became employed as a taxicab driver and bootlegged at a number of after hour night clubs. Most of the time, however, he engaged in target shooting or went fishing and hunting.

Killed Two Persons

Finally he fell in love with Mrs. Nadine Martin, and in his jealous, possessive way warned everyone to stay away from her. Gerbitz went on a hunting trip, but at 3 a.m. on the morning of December 16, 1954, he came to a friend's room, pulled out a Smith and Wesson revolver, and removed two empty shells. He stated he had returned unexpectedly to find Mrs. Martin with another man. He had shot and killed them both.

The next day the FBI obtained a warrant for Gerbitz's arrest and warns that he is an excellent marksman, said to be highly proficient in the use of knives, and must be considered extremely dangerous. He is reported to have stated that he will shoot anyone who gets in his way.

Gerbitz is thirty-one years old, five feet ten inches tall, weighing two hundred twenty-five pounds, heavy build, light brown hair, blue eyes, complexion medium. He oc-

casualty wears a mustache, limps slightly on his right leg as a result of the bartender's bullet, and when drinking has an uncontrollable temper.

Information regarding this man should be immediately communicated to Norman H. McCabe, special agent in charge of the Philadelphia Office of the FBI, 500 Widener Building, Philadelphia, Pa., telephone Rittenhouse 6-5300.

In the back room of a cheap little tavern three men planned the robbery of a Brink's, Inc. money truck at Buffalo, New York. Day after day they went over their contemplated action until each had become letter perfect in his part. approval Wednesday of a Middle East peace mission by U.N. Secretary General Dag Hammarskjöld.

Chief U. S. Delegate Henry Cabot Lodge Jr., council president for April, expressed belief the council would reach a vote soon on his proposal that Hammarskjöld seek ways to reduce explosive tensions along the Israeli-Arab frontiers.

A vote late on Tuesday on the U. S. resolution was delayed when Ahmed Shukairy of Syria and Egypt's Omar Loutfi said they wanted to postpone their final statements until today. Representatives of Israel, Jordan and Lebanon—the other countries immediately involved—raised no objections to the American resolution.

Reject Amendments

Lodge turned down Soviet amendments intended to restrict somewhat the scope of Hammarskjöld's mission. Soviet Delegate Arkady A. Sobolev said he had no objection to the principles of the American resolution but felt the wording could be improved by his amendments.

The Western Big Three delegates rejected a Soviet charge that their governments are planning armed intervention in the Middle East under the pretext of preventing an Arab-Israeli war. Sobolev charged this would violate the Arab countries' national

rights. He argued no such action should be taken outside the U. N., and none should be taken unless the Middle East countries themselves agreed.

No reference was made in the debate, however, to Secretary of State Dulles' news conference statement on readiness to use U. S. troops in the area if necessary to counter major aggression. The United States, Britain and France pledged in 1950 to act together against any attempt to change Israel's borders by force.

SCOUT LEADERS HONORED WITH PRESENTATIONS

Citations for their service to boys were presented to three leaders of Conewago Boy Scout district Tuesday night at a district meeting in the Elks home, Hanover. The presentations were made by Dayne E. Garrett, district chairman.

Receiving citations were: Lester Hull, scoutmaster, 15 years' service, and David G. Myers and LeRoy Smith, assistant scoutmasters, 10 years' service, all of Troop 105, St. Matthew's Lutheran Church, Hanover.

W. Jack Watson, who retires as executive of York-Adams Area council this fall, spoke on council-wide activities. He stated the council now serves 5,800 boys and in a few years he expects the growth to encompass 7,000 boys having 2,500 volunteer leaders. It was his last official visit to a district meeting.

Make Comments

Remarks were offered by Basil Starkey, Philadelphia, deputy regional executive, and Attorney Harold B. Rudisill, past district chairman. Both paid tributes to Watson.

Coming activities listed by Marlow L. Miller, camping and activities chairman, included: Council-wide outdoor scoutmasters' training course, April 14 and 15, Camp Conewago, Dicks' Dam; spring nature course, May 5 and 6, and district camporee, May 19 and 20, both at Camp Conewago. A council-wide Pioneer in Pennsylvania camporee will be held on the Gettysburg battlefield June 15 and 16. Nicholas D. Murphy, co-chairman of the camping and activities committee, presented a list of repairs to be made to Camp Conewago early this summer. They include new roof on administration building, repairs to roof and fireplace in the main lodge, closing several windows in the lodge and sheeting the interior for winter camping, and provision of individual troop storage chests in the lodge.

District Increases

Chairman Garrett announced that the district has increased by 34 boys since the first of the year, bringing the present enrollment to 938 youths.

Harris Barnhart, organization and extension chairman, reported a troop is being formed in Abbotstown and cub packs are being organized in Grace EUB and First Methodist Churches, Hanover.

Twelve boys of the district passed requirements for star and life ranks Tuesday night at a district board of review conducted by Paul E. Aumen, advancement chairman; Richard Martz and Harold E. Wentz.

Passing Requirements

Passing requirements were: Star scout, Stephen Gelman, James Montgomery and Fred Cramer, Troop 102, St. Paul's Lutheran Church, and David Wolfskill, Henry Mowery Jr., and Ronald Brendie, Troop 105, St. Matthew's Lutheran Church.

Life scout, Harry L. Walter, Kenneth R. Sanders, Glen Livelsberger, Daniel Miller, Thomas H. Colgan and Larry Small, all Troop 107, Church of the Annunciation of the Blessed Virgin Mary, McSherrytown.

David Greenglass Is Denied Parole

WASHINGTON (AP)—Atomic spy David Greenglass, whose testimony helped send Julius and Ethel Rosenberg to the electric chair, has lost his bid for parole from a federal prison.

The U. S. Parole Board Tuesday denied Greenglass' parole application. As is customary, the eight-member board declined to explain its action.

The 34-year-old Greenglass completes tomorrow one third of a 15-year sentence he was given in 1951 after pleading guilty to an espionage charge. He is at the Lewisburg, Pa., penitentiary.

Mrs. Walter Tressler is reported ill at her home here.

LABOR BLOCKS STARS ON TV

NEW YORK (AP)—Television fans missed a number of familiar faces in a preview of highlights of the Ringling Bros. and Barnum & Bailey Circus Tuesday night.

Sad-faced Emmett Kelly and pantomimist Otto Griebling, top performers among the grease-paint gentry, were absent because of a labor dispute. A number of other clowns were not cast for TV because of a television appearance before the circus reached New York.

The American Guild of Variety Artists and Local 447, International Brotherhood of Teamsters, picketed Madison Square Garden Tuesday in a move to organize the circus' 900 entertainers, roustabouts and drivers. However, the pickets disappeared at 1 p. m., after a Supreme Court justice warned the unions to obey a temporary injunction against picketing obtained by the circus Monday.

AGVA notified Kelly and Griebling not to appear on the CBS-TV show Tuesday night.

PAY \$4,500 TO RECOVER PAPER

NEW YORK (AP)—The Communists have recovered the seized assets of their Daily Worker and their national headquarters offices by posting a total of \$4,500 in cash toward income tax liens.

Possession of the padlocked newspaper offices and headquarters was regained Tuesday night, a week after they were seized by Internal Revenue Service agents.

The party and its newspaper got releases by signing an agreement with Donald R. Moysey, district director of internal revenue.

The Daily Worker, which had continued publishing through its separate printing plant, carried a headline in Wednesday's issue proclaiming "We're back. Free press scores victory."

Government officials have said they had no intention of trying to halt publication of the newspaper.

These amounts for the seized assets—consisting mostly of battered office furniture and equipment—were applied against an income tax lien of \$363,265 on the party and one of \$46,049 on the newspaper.

The Communists contend no income taxes were owed.

AIR-TO-SURFACE MISSILE IN USE ON NAVY PLANES

By VERN HAUGLAND

WASHINGTON (AP)—The Navy has lifted some of the secrecy around the "Petrel" guided missile and said it has performed with an "exceptionally high" degree of reliability.

The Navy and Fairchild Engine & Airplane Corp., Hagerstown, Md., indicated in a joint announcement that the Petrel air-to-surface missile is "one of the more complex" types now in production.

The Petrel was described as having an intricate "electronic brain" which virtually thinks for itself and guides the missile to its target at high speed.

Designed For Subs

The weapon was described as an air-to-surface missile "primarily for use against enemy ships at sea."

However, in the Fairchild annual report this week the Petrel was referred to as an air-to-underwater missile, meaning it was designed for use against submarines.

The Navy said a number of patrol craft already are equipped with the Petrel.

"Launched by patrol aircraft well outside the range of the target," air defense, the missile attacks at high speed and with devastating effect," the joint announcement said.

Will Save Lives

"Use of the new missile thus will save the plane pilot from the antiaircraft hazards which attack-plane aviators met in World War II when they closed on the target."

"Thus Petrel virtually eliminates the potential loss of valuable, highly trained pilots as well as costly planes and equipment."

The Petrel is in production at the Fairchild Guided Missiles Division plant at Wyandanch, L. I., New York.

It was tested extensively, first

at the Naval Ordnance Test Station, Chincoteague, Va., and later the Fleet Operational Development Force.

Jet Powered

"The missile performed with a degree of reliability considered exceptionally high for such a sophisticated weapon," the Navy said.

Rear Adm. F. S. Withington, chief of the Bureau of Ordnance, said the Petrel "is one of the more complex missiles both electronically and dynamically developed by the Navy to date."

No details were disclosed on the specifications or performance, but it was reported the missile is powered by a Fairchild J44 jet engine.

Information on the Petrel was made public a day after informed sources said a Snark guided missile had flown 2,000 miles into the central Atlantic after being launched from Cape Canaveral in Florida.

Test Distance Missile

This was said to be the longest known distance ever covered by any pilotless aircraft. The test flight of the jet-powered Snark was said to have taken place a few days ago. Pentagon information officials declined to comment on the report.

Research in the missile field is aimed at developing an intercontinental missile capable of reaching 5,000 miles.

Officials who tested the Snark on its record run were said to have been trying to determine more about its range than its load-carrying ability or maneuverability.

The Snark is being produced by Northrop Aircraft Inc., Hawthorne, Calif.

HAMMARSKJOLD MAPS MISSION TO MIDDLE EAST

By A. I. GOLDBERG

UNITED NATIONS, N.Y. (AP)—U.N. Secretary General Dag Hammarskjold today mapped a mission to find ways to bring peace back to the Middle East.

Armed with unanimous authorization from the Security Council, Hammarskjold planned to leave tomorrow to investigate the causes of tension along the Israeli-Arab borders. He is to report back to the Security Council within a month with measures to calm down Israel and her Arab neighbors.

En route to the Middle East, the secretary general planned to fly by way of London and Paris to consult with Foreign Office experts on arms sales questions and other problems.

Shares World Concern

He told the council yesterday, after it adopted the U.S. resolution to send him back to the Middle East, that he shared world concern over the dangers in Palestine area.

He visited the area in January and discussed the situation then with Israeli and Arab leaders. On his return he told newsmen he was optimistic that developments would avert war.

In his statement to the council, he said: "I note that the council wants me to explore possible ways

a Broadway actress in the 1920s and 1930s, who also had toured Europe and had taken her own opera company to Australia. Died Sunday.

of reducing the tension along the demarcation lines. The extent to which such an exploration is possible and likely to yield lasting results depends necessarily on the willingness of all the parties concerned to cooperate fully with the secretary general in a joint effort inspired by mutual confidence....

Hints At Direct Contacts

"I also trust that all those who are interested in a good outcome of the effort, but are not parties to the conflict, will assist the parties and myself by restraint in word and action, as without this

the difficulties would be unnecessarily increased."

This was taken here as a hint that Hammarskjold wanted to work directly without contributing aggravation from the big powers.

Henry Cabot Lodge Jr., U. S. chief delegate and council president for April, voiced the council's confidence in the secretary general and its good wishes. Israeli and Arab spokesmen had previously promised cooperation with the mission.

New violence on the Israeli-Egyptian frontier underlined the

urgency of Hammarskjold's task.

Israel claimed an Egyptian patrol attacked Israeli troops near the Gaza Strip border, killing three

Israel soldiers in a four-hour exchange. The Egyptians said the Israelis opened fire first and killed an Arab Palestinian soldier.

Push Proposal For Huge Bonus Bill For Korean War Veterans

HARRISBURG (AP) — House leaders have forecast approval of a plan to lay the groundwork for a 150 million dollar bonus for Pennsylvania veterans of the Korean War.

The bonus is now tied in with a proposal which House Democratic Leader Readinger claims would require a basically sound tax program before the outlay is actually made.

Readinger, who abandoned his original plan to couple the bonus with a graduated income tax, declared:

"We want to make sure we don't make the same mistakes as were made when the World War II bonus was approved without a tax plan to pay for it."

The new revision was made by a 180-12 vote on the House floor Tuesday.

Expert Passage

Both Readinger and House Republican Leader Smith said there would likely be enough votes from both sides to pass the plan.

In another development, the House late Tuesday returned teachers' salary legislation to committee for redrafting.

Rep. Polen (D-Washington) said a new plan by the Leader administration calls for giving teachers an extra \$200 pay boost starting July 1. They are already entitled to get \$200 under a 1951 law.

The 31 million dollars already appropriated to finance a pay boost in this biennium, he said, won't be needed because school districts won't receive state aid for the extra pay boost until the following year.

Boost State Aid

In the Senate, the Highways Committee sent to the floor a House-passed bill increasing state aid for local roads from 18 million dollars a year to 30 millions.

The committee retained the present formula in the allocation of the money between cities and townships. Cities had asked for a larger share.

The Senate Tuesday night defeated, 13-29, legislation which would have permitted the Pittsburgh school board to impose a wage tax to finance rising school costs. Republicans helped Democrats defeat the measure.

On another front, the House passed a 152 million dollar appropriation for general state operations in the current two-year fiscal period ending May 31, 1957.

The amount is a sharp come-down from the general appropriation bills of recent years—for example, the 365 millions of 1953-55.

Many Items Removed

This is because huge items such as welfare and education have been taken out of the omnibus bill. Stogap grants forced by the long tax deadline also have cut into the size of the general spending legislation.

The House also is ready to pass finally a 5 million dollar industrial development program cleared by the Appropriations Committee Tuesday night. It is expected to be in Gov. Leader's hands by the end of the week.

Here is the language Readinger used in his effort to tie in the revenue-raising problem with the Korean War bonus:

"The law authorizing the creation of the debt and the issuance of the bonds shall not take effect until revenue-raising measures are enacted which the Senate and House of Representatives by concurrent resolution declare and deem sufficient to amortize the amount to be borrowed and paid."

May Sell Bonds

The clause is contained in a proposed amendment to the constitution to allow the state to sell 150 million dollars in bonds to pay for the bonus.

This amendment would have to be approved by both this and the 1957 Legislatures and then by a vote of the people to become operative.

The exact amounts Korean War veterans would receive would have to be determined by subsequent legislation. The state sold 440 million dollars in bonds to pay up a \$500 bonus to veterans of World War II on the basis of \$15 for each month of overseas service and \$10 for each month of duty in the states.

The House spent more than an hour Tuesday debating the Korean War bonus. Smith said the GOP went along

with the tax amendments because "there is nothing else we can do." Readinger explained his about-face on the income tax this way: "Some people will want to vote for the bonus put against the use of a graduated income tax. They should have a right to do so."

Veterans' organizations opposed the graduated income tax tie-in. Smith responded with:

"You're only kidding the people with this amendment. Because, if the people vote for a constitutional amendment and the bonus it has to be paid some way and we would have to dig up some tax."

OPEN DELAWARE BRIDGE, MAY 25

HARRISBURG (AP) — The Delaware River bridge, last link in one of the longest continuous turnpike systems in the world, will be opened to traffic May 25 by the Pennsylvania and New Jersey turnpike commissions.

The Pennsylvania commission fixed the date for the formal opening at its meeting Tuesday. The bridge will link the Pennsylvania and New Jersey turnpikes

north of Philadelphia.

Commission chairman G. Franklin McSorley said 10:30 a. m. was tentatively set for the ribbon-cutting ceremony but added further details will be worked out at a meeting with Chairman Paul Troast of the New Jersey Turn-

pike Authority.

Governors Invited

Gov. Leader of Pennsylvania and Gov. Robert B. Meyner of New Jersey will be invited to attend the ceremony.

The chairman said Burlington County, N. J., and Bucks County,

Pa., terminal points of the bridge, are planning celebrations in connection with the opening.

With opening of the bridge, motorists will have a continuous turnpike system from the western Ohio border, through Pennsylvania and New Jersey to New York City

and thence through Connecticut into Massachusetts.

The opening of the bridge also will mark the final link in Pennsylvania's east-west turnpike, first started in the 1930's.

CALLS CHESTER MOST CORRUPT

PHILADELPHIA (AP) — Philadelphia's Mayor Richardson Dilworth said Tuesday he will stick by his statement that Chester "remains one of the most corrupt communities" in the country.

Dilworth issued his latest statement in response to a demand by Chester Mayor Joseph L. Eyre that he retract an earlier version. In making the demand yesterday Mayor Eyre called Dilworth "a half-point politician" and a "political humbug."

Dilworth said he was not interested in replying to charges against him personally.

Eyre is a Republican, Dilworth a Democrat.

Dilworth first made his statements about Chester in an appearance on the Philadelphia Bulletin Forum last March 18.

Dilworth also said Tuesday he has no intention of visiting Chester and the Delaware County Courts at Media.

An invitation had been issued to Dilworth by Louis A. Bloom, Chester treasurer.

"Let that blabber mouth come to Chester and see how we run the city," said Bloom. "Let him come to Delaware County and see how cases on the court calendar are disposed of."

Plan Many Changes In Sales Tax Bill

HARRISBURG (AP) — House Republicans carried the bill Wednesday for a host of changes in the 3 percent sales tax.

The changes are mostly minor. They are intended primarily to spell out the thinking of the lawmakers on individual items before the law was enacted March 6.

For example, Bibles would be made specifically exempt from the sales levy even though there was no original intent to tax Bibles.

House Democratic Leader Reading said Tuesday night the same applies to other articles such as umbrellas, pocketbooks, wallets,

No Time Extension Allowed On Plates

HARRISBURG (AP) — Pennsylvania state police reported Tuesday there definitely has been no extension of time in which motorists must replace their 1955 auto license plates with 1956 tags.

"The Revenue Department asked us to be lenient in cases where the new tags were delayed in the mails or for some other valid reason, but it is obvious we can't let everyone go who has failed to replace the old plates," said Maj. William Ruch.

"The state police are leaving the decision up to the discretion of individual troopers whether a motorist should be arrested for failing to have new plates," he added.

The Revenue Department reported over the weekend it had asked the state police to be lenient with motorists on the license plate question until midnight tonight. The request was made because late applicants for tags had not yet received their 1956 plates, which are mailed fourth class.

handbags and smoking accessories all of which would be taxable. Reading said he expected no difficulty in the amendments passing the House during the day.

News Briefs

HARRISBURG (AP) — The federal-state flood forecasting service said Tuesday there was "some flooding" indicated on the Susquehanna River above Sunbury.

The service said the flooding would be similar to that of early March when low lying areas above Danville were under water.

"No flooding is expected on the West Branch of the Susquehanna and the Juniata River," the service said.

Predicted stages for this morning were: Towanda 17-18 feet, Wilkes-Barre 19-20, Williamsport 11-12, Sunbury 8-9, and Harrisburg 7.

BERWICK, Pa. (AP) — Milton Brundage, 106-year-old Columbia County resident, died at Geisinger Hospital in Danville Tuesday night. He was a resident of Berwick.

The former blacksmith for ACF, Inc., Berwick, was born in Scotch Valley, Columbia County, in 1850. For the past five years he had been mostly bedridden after fracturing his hip in a fall. He was a bachelor.

Funeral services will be held Friday.

BALTIMORE (AP) — Maj. Gen. Floyd Bernard Wood, 47-year-old Air Force weather expert, and Capt. Gail A. Pelto, 29, his navigator, were killed Tuesday night in the crash of their jet trainer.

The two officers, both attached to Air Research and Development Command Headquarters here, were thrown from the T33 jet trainer and badly burned when it plunged into a wooded area and caught fire shortly after takeoff in a dense fog from Friendship International Airport.

HARRISBURG (AP) — A bipartisan proposal to establish a permanent legislative committee to investigate cave-ins in the anthracite region is in position for a final House vote this week.

Introduced last month by 13 Republicans and Democrats the bill won approval of the Appropriations committee on Tuesday. It previously was passed by the Mine Committee.

WARNS PUBLIC AGAINST HOXSEY CANCER CURES

By W. JOYNES MACFARLAN

WASHINGTON (AP)—The government issued a formal public warning Wednesday against the Hoxsey cancer treatment which it termed worthless and "imminently dangerous" if its use leads to neglect of other care.

The Food and Drug Administration said some of the medicine used by Harry M. Hoxsey in his cancer treatment contains potassium iodide, and it added: "This is evidence that potassium iodide accelerates the growth of some cancers."

Hoxsey disputed the government contentions. At his clinic in Dallas, he said he has records of cases "proving that we have been successful after radium, X-ray and surgery have failed." He said the government never has made a full investigation.

Boasts 10,000 Patients
Hoxsey said his clinics now have 10,000 patients.

The FDA has been fighting Hoxsey since before 1948. After years of litigation, a decision by a U. S. District Court in Texas in October 1953 prohibited Hoxsey and his clinic from shipping in interstate commerce what the FDA today termed "their worthless cancer medicines."

The agency said Hoxsey set up his clinic at Dallas in 1936 and that its growth has been steady. It said a Hoxsey clinic was opened March 7, 1955, at Portage, Pa.

FDA officials said the agency never had taken a precisely similar action to warn the public against any medicine or treatment. The public warning is to be published in the Federal Register

Urges Instructor's Suspension Lifted

YORK, Pa. (AP)—The York Branch of the American Civil Liberties Union says it favors lifting the suspension imposed by Dickinson College on Dr. Laurent R. Lavalie, an instructor in economics.

The branch's executive committee said in a statement Tuesday night that his suspension by Dr. William Edel, Dickinson president, was "a stain upon the reputation of Dickinson."

The statement said it was up to school administration and not Dr. Lavalie to prove his fitness to teach.

Lavalie was suspended as an economics teacher at the college after he invoked the 5th Amendment while testifying before the House Un-American Activities Committee last month in its investigation of communistic activities.

Discount Primary Write-in Vote

HARRISBURG (AP)—Republican and Democratic leaders do not expect the write-in vote in Pennsylvania's presidential preference primary April 24 to carry much weight with the state's delegations to the national conventions on their choices for the presidential nomination.

Republican State Chairman Miles Horst said today he expected the bulk of Pennsylvania's 70 GOP delegates to turn in for President Eisenhower at the San Francisco convention.

Sen. Barr, Democratic state chairman, voiced almost the same viewpoint for Adlai Stevenson, who has been endorsed for the presidential nomination by top party leaders.

as an official document. It is signed by FDA Commissioner George P. Larrick.

Face Contempt Charges
In a separate statement, the agency said it is developing a contempt of court proceeding alleging that Hoxsey and members of his staff have violated the 1953 injunction against interstate transportation of their products.

But it said this is almost certain to be a lengthy court case, and the action "may not result in a cessation of his activities for some time to come."

This statement declared also that FDA "has received reports of deaths which occurred after surgery was forsaken in favor of the Hoxsey treatment while the cancer was still operable and where surgery promised excellent prospects of cure."
